URGENT: Notice of Recall

03-29-2024

Pharmers LLC

3400 Columbia Dr NE

Albuquerque, NM 87107

Dear Astro Buds,

This letter is to inform you of a product recall involving products that were distributed to you. These products were produced in the fall of 2022 and were distributed primarily throughout 2023 to multiple retail locations. The Cannabis Control Division (CCD) has advised us that upon retesting of the products in question, they were found to contain the pesticide Malathion. It's important to mention that these products initially passed all pesticide testing mandated by the state, and that the CCD has not received any health-related complaints from the use of products subject to this recall.

Product(s) subject to recall with the associated Biotrack ID number(s):

Purple Kush Live Sugar 1.0g	8500 3687 6907 1322	Purple Kush Live Badder 0.5g	2038 7926 7258 4885
Purple Kush Live Sugar 0.5g	6662 4359 7766 2877	Jigglers Live Diamonds 1.0g	4762 2290 3699 2492
Purple Kush Live Badder 1.0g	6687 1188 9349 5906	Jigglers Live Diamonds 0.5g	8156 7429 3076 7537

Immediately examine your inventory and quarantine products subject to this recall. Please refer to your internal product recall plan, take any action necessary, and destroy any remaining products according to CCD guidelines. Consumers with health-related concerns about a recalled product should contact the New Mexico Poison Control Hotline at 1-800-222-1222, or their medical provider. No further guidance has been issued by the CCD at this time.

Your assistance is greatly appreciated and necessary. Please confirm receipt of this notification and report any identified recalled inventory by filling out the additional Recall Response Form attached to this email. If you have any questions, please contact our administrative department at admin@pharmersquality.com.
